

Effective novena of the Three Hail Marys

O Mary, Powerful Virgin, you for whom nothing is impossible, by that very Power with which the Almighty Father has endowed you, I humbly beg you to assist me in the necessity in which I find myself. Do not abandon me, you who are the Advocate of the most desperate causes.

It seems to me that the glory of God, your honor, and the good of my soul are bound to the granting of this favor. And if, as I believe, it is in accordance with the most loving and most holy Will of God, I beg you, O all-powerful intercessor, to plead for me before your Son, who can refuse you nothing.

O Mary, I ask you again, in honor of the infinite Power that the heavenly Father has communicated to you, His beloved Daughter, and in union with saint Mechtilde, to whom you revealed the salutary practice of the *Three Hail Marys*.

Hail Mary...

Shrine of Our Lady of the Trinity

O Mary, Mother of Divine Wisdom, you to whom your adorable Son has communicated the fullness of His divine knowledge, insofar as you are the most perfect creature capable of receiving it, you know the greatness of my misery and how much I need your assistance.

Trusting in your divine Wisdom, I abandon myself into your hands, that you may arrange all things with strength and gentleness, using the means you know to be best, for the glory of God and the good of my soul.

O Mary, I implore you, deign to obtain for me the precious grace that I seek. I ask it by virtue of that incomparable Wisdom with which the Word, your Son, has enlightened you, His most beloved Mother, and in union with saint Leonard of Port Maurice, preacher of the *Three Hail Marys*.

St Augustine

O Mary, Mother of Mercy, good and tender Mother, you whose Heart was set ablaze by the Spirit of Love with boundless tenderness for poor humanity, I beg you to show me your compassionate goodness. I know that I do not deserve the precious grace I desire, for I have so often grieved you by offending your divine Son. But today I sincerely repent of having wounded the most tender Heart of Jesus, and yours.

O Mary, Mother of repentant sinners, forgive my past ingratitude. Considering your merciful goodness and the glory that will return to God and to you, obtain for me the grace I implore through your intercession.

O clement, O merciful, O sweet Virgin Mary, you who have never been invoked in vain, deign to come to my aid, I beg you, by virtue of the mercy with which the Holy Spirit has filled you for us, you His tenderly beloved Spouse, and in union with saint Alphonsus Liguori, Doctor of the *Three Hail Marys*.
